

## Join Us for a Special R/C Model Sub Event Aboard the Champion Sub-Killer Submarine

Don't miss our sixth annual r/c submarine Fun Run, taking place at War Memorial Park in Muskogee, Oklahoma, home of the famous USS *Batfish* (SS-310). A large pond will be set up in the park alongside the boat. Operate your model from the deck of an actual submarine! SubCommittee members are also invited on an overnight "fast cruise" sleepover aboard *Batfish* herself Friday evening, July 4th. It's a WWII fleet sub blast from the past with plenty of fellowship, fireworks and r/c sub fun!
